***Question Submission: Interested offerors must submit any questions concerning the solicitation at the earliest time possible to enable the Buyer to respond. Questions must be submitted to OKEDml_IT_Security@oked.uscourts.gov. Questions not received within a reasonable time prior to close of the solicitation may not be considered.

Unless the Buyer indicates otherwise within a particular line item description, each Seller shall include in its Bid individual pricing for all required line items in order to be considered for award (i.e., Do not use the "Included in another line item" when pricing each line item). If a line item cannot be separately priced, you must notify the buyer through the Email listed above and submit a question regarding which line item(s) should be included in which other line item(s) and request reposting. Failure to comply with this term may result in the Bid being determined to be non-responsive.

New Equipment ONLY; NO remanufactured or "gray market" items. All items must be covered by the manufacturer's warranty.

Bid MUST be good for 120 calendar days after close of Buy.

Q&A -Please submit all questions by using the Email listed above. The government reserves the right not to respond to any questions received after the deadline.

Award Criteria-An award will be made to a responsive offeror (who submits all required submissions on time), whose past performance does not pose a risk to the Government, and whose offer is the Lowest Price Technically Acceptable (LPTA). An offer is technically acceptable if its technical capabilities conform to the Government's Statement of Work or listed specs whichever is applicable to the buy.

For all buys other than Exact Match Sellers MUST document what they are bidding for evaluation for award. Sellers must include, extended specs and/or manufacturer name and part numbers (if applicable). Failure to do this may be cause for termination. This information is REQUIRED in order for a sellers bid to be deemed 'responsive' and to be considered for award.
