 PRESENTENCE REPORTS)

GENERAL ORDER

This Order serves as an update to Local Criminal Rules 32.1(A), 32.1(B), and 32.1(C), which set forth the procedures for the disclosure and filing of Presentence Reports. This update is needed due to the Court's new procedures for access, service, and management of sealed and restricted documents as implemented through General Order 25-13.

Effective as of the date of this Order and until such time as the Court orders otherwise, a Presentence Report shall be deemed to have been disclosed when the United States Probation Office for the Eastern District of Oklahoma has transmitted the document via encrypted email to counsel of record for the Defendant and counsel of record for the Office of the United States Attorney. Any revisions to the Presentence Report, which will include any objections presented by counsel, any responses from opposing counsel, and the addendum prepared by the Probation Office, shall be disclosed in the same manner. The Final Presentence Report, which will include all objections presented by counsel, any responses from opposing counsel, and any addendum, will be filed in the Court's electronic filing system as a restricted document.

This Order supersedes all inconsistent prior orders of the Court, Local Rules, and other guidance regarding the disclosure and filing of said reports.

SO ORDERED THIS 17th day of November, 2025.
